HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that the regulations respecting bounties on noxious animals made by Order in Council No. 855, approved June 7th, 1944, as amended, be rescinded:

And that under the provisions of section 68 of the "Game Act," being chapter 108 of the "Revised Statutes of British Columbia, 1936," the following regulations, to be known as the "Bounty Regulations," be made:—

"BOUNTY REGULATIONS.

"(1) Subject to the provisions hereinafter contained, payment shall be made to any per-son who is the holder of a licence to carry fire-arms under the "Game Act," or to any Indian who is a resident of the Province:—

- "In respect of each cougar killed within the Province, a bounty of \$20.00
- "In respect of each timber wolf killed within the Province, excepting the Electoral Districts of Kam-loops, Cariboo, and Lillooet, a bounty of 25.00
- "In the electoral districts mentioned, a bounty of 40.00
- "In respect of each coyote killed within the Province during the period from April 1st to October 31st, inclusive, in each year, a bounty of 4.00

"(2) Bounty shall not be paid on any cougar unless the whole pelt of the animal is produced with an application for bounty, and in respect to wolves killed or taken in the Electoral Districts of Kamloops, Cariboo, and Lillooet, the whole pelt and the right foreleg pad, but elsewhere in the Province, the pelt only must be produced, and in respect to coyotes, the whole scalp and the right foreleg pad intact.

"NOTE.—In regard to the term 'right fore-leg pad intact,' it is meant that the pad should remain on the pelt before application for bounty can be allowed.

"The pelt of any wolf or cougar must be produced for payment with an application for bounty within six months after the date on which the pelt or pelts were taken, provided the parts required to be presented for bounty

on coyotes killed during the period mentioned in section (1) must be presented and application made for payment of bounty within fourteen days after October 31st.

"(3) Any pelt or part of pelt designated herein shall be produced to one of the following officers—namely, a Government Agent, a Provincial Game Inspector or Supervisor, a Game Warden, an officer or constable of the Provincial Police Force, or a person duly authorized in writing by the Game Commission to receive applications; and shall deliver to the officer the application made by the applicant in a form prescribed by the Game Commission, setting out the facts as to the killing of the animal and stating the date on which and the place where it was killed. The applicant, if he is the holder of a licence to carry firearms, shall also produce his firearms licence for inspection by the officer.

"(4) The officer shall examine the pelt of each cougar produced, and if a hole is found in either ear of the pelt, he shall refuse the application. If both ears are found to be intact and the application is in accordance with the provisions herein contained, he shall cut a hole of not less than one-half inch in diameter in the left ear of the pelt, and shall endorse upon the application a certificate of approval in the form provided by the Game Commission, and shall return the approved application to the applicant. In respect of an application for bounty covering the destruction of a wolf, the right foreleg pad, where necessary under these regulations, is to be detached and destroyed by the officer taking the application, and in respect to a coyote, the scalp and right foreleg pad produced must be destroyed by the officer taking the application.

"(5) Where an animal is killed by means other than a firearm, and where the person killing it is neither the holder of a licence to carry firearms nor an Indian, payment of the bounty may be made to that person if his application therefor is otherwise in compliance with these regulations and is approved, in writing, by the Game Commission.
